

Master of Accountancy (MAcc) Program

The Master of Accountancy is a specialized graduate degree that prepares students for careers in public accounting. It also integrates accounting knowledge within the broader context of the other functional areas of business. The MAcc program develops its students' critical thinking and problem-solving, oral and written communications, and technology skills.

Students graduate from the MAcc program having fulfilled the educational requirements to become Certified Public Accountants (CPA).

Admission Requirements for the MAcc Program

For applicants whose first language is not English, a Test of English as a Foreign Language (TOEFL) score is required and considered.

Accelerated Undergraduate-to-Graduate Track

Contingent upon acceptance in to the Accelerated Undergraduate-to-Graduate Track, students wishing to pursue a Master of Business Administration (M.B.A.) or a Master of Accountancy (M.Acc.) at Valdosta State University may take up to 9 semester hours of graduate-level coursework (courses numbered 5000 or above) that will count toward Business electives for their major (Accounting, Economics, Finance, Healthcare Administration, International Business, Management, and/or Marketing) or toward general electives for the undergraduate degree.

Acceptance in to the Accelerated track requires:

1. written notification by an LCOBA professional advisor from the Student Engagement Center to the LCOBA Director of Graduate Programs of her/his willingness to serve as the student's Accelerated Undergraduate-to-Graduate Track advisor.
2. completion of 75 credit hours of undergraduate coursework:
 - a. at least 15 hours must be LCOBA courses, with at least a 3.0 GPA for those LCOBA credits; and
 - b. a grade of "C" or better must be earned in each of those LCOBA courses.
3. an overall GPA in undergraduate course work of at least 3.0.

Once accepted, a specific course of study will be developed with the student's advisor.

Students interested in continuing their graduate education may apply for admission to the graduate program in LCOBA in their senior year or upon completion of their undergraduate degree. Full admission to the Graduate School requires completion of the bachelor's degree. Students in the Accelerated Undergraduate-to-Graduate Track will not be required to take admission tests but must meet all other graduate admission requirements. See the Graduate School website (<https://www.valdosta.edu/academics/graduate-school/our-programs/>) for admission requirements. Students who have completed 9 hours of graduate level course work to complete their bachelor's degree will be required to complete the remaining requirements of the graduate degree they choose to pursue.

Educational Outcomes

Upon completion of this degree, students should be able to:

1. demonstrate knowledge of the theory and application of financial accounting
2. use critical thinking and problem-solving skills
3. effectively communicate accounting information orally and in writing
4. apply computer technologies as they relate to the accounting profession

Examples of Outcome Assessments

These outcomes will be assessed by:

1. course-embedded assessment questions
2. case studies to evaluate critical thinking and problem-solving skills
3. oral presentations in class and required written reports
4. application-based testing of spreadsheets, accounting databases research skills, and other accounting software.
