

# Bachelor of Fine Arts Degree with a Major in Dance

The B.F.A. with a major in Dance prepares students for a broad range of opportunities, including performance, choreography, teaching, arts administration, and dance/movement therapy. The Dance program at VSU offers numerous productions throughout the year, providing students with significant performance and choreography experience. Graduates learn a host of life skills, including collaboration, working to deadlines, self-discipline, patience, perseverance, analytical skills, and critical thinking.

## Audition Requirements

All students who intend to pursue the B.F.A. with a major in Dance must audition for the purpose of admission into the program. Auditions are regularly hosted on campus, across the region, and at national professional conferences.

## Grade Point Average Requirement for the BFA with a Major in Dance

Students entering the University directly from high school must maintain a GPA of 2.0 or better on all course work undertaken in order to continue as Dance majors. If in any given semester a student's overall GPA falls below 2.0, the student will have one semester (fall or spring) to bring it back up to or above 2.0. If the overall GPA remains below 2.0 for two consecutive semesters, the student will be requested to change majors. Any student who fails to respond to that request will automatically be transferred to an undeclared major status.

Students who enter the University as transfer students who wish to continue a major in Dance must have a GPA of at least 2.0 on all course work undertaken. Upon acceptance as a major, a student must maintain an overall 2.0 GPA as described above.

Students changing majors from another program within the University must also have at least a 2.0 overall GPA to transfer to the Dance major, and they will be subject to the same maintenance requirements already described.

## Selected Educational Outcomes

1. Students will articulate a cultural and historical perspective appropriate to dance performance, pedagogy, and choreography.
2. Students will demonstrate dance and related skills, based on the career goals of the individual student: teaching, performance, and/or choreography.
3. Students will demonstrate the ability to interact and problem solve with colleagues as group participants and leaders.
4. Students will demonstrate knowledge of professional opportunities for employment.

## Examples of Outcome Assessments

Concluding curricular experiences for the dance student will include:

3. Developing materials geared to individual students' professional career goals for post-graduation plans.
